Dispatch Democrat

VOLUME XLVI — UKIAH CITY, MENDOCINO COUNTY, CAL., FRIDAY MORNING, APRIL 17, 1914 — NUMBER 27

HOP FESTIVAL HEAD APPOINTED

E. L. Waldteufel is Appointed Director General

DIRECTORS MEET WEDNESDAY

The board of directors of the Ukiah hop festival association met last Wednesday evening for the purpose of transacting business relating to the big county fair and hop festival which is to be held in Ukiah this fall. Among the matters attended to was the appointment of a director general for the affair. E. L. Waldteufel was selected for the position and after considerable persuasion was prevailed upon to accept it. Mr. Waldteufel is admirably fitted for this task as he is a booster in every sense of the word and the success of the previous hop festivals has been due in a great measure to his efforts. The place carries no compensation and for that reason the man who fills it must have the best interests of the county unselfishly at heart or he is apt to shirk the responsibilities and duties attendant upon the job. However, those who know Mr. Waldteufel know that a better selection could not be made, for he has shown himself possessed of just the qualities needed.

Mr. Waldteufel's first effort will be to start a booster's club of 500 and to that end he has prepared the following letter which will be sent out to the leading citizens of the county.

Dear Sir:

Appreciating the fact that you are of the real "Boosters" of Mendocino County and being desirous of having you join us in making our display at the 1915 Exposition one that we can well be proud of we are herewith sending you an application blank for membership in the Hop Festival Association which we feel sure that you will see fit to fill out and return to us at the earliest possible moment.

The County Fair and Hop Festival which are to be held at the same time this year is but the first gun to be fired toward making the visitors to the 1915 Exposition take notice of this County. The exhibits shown at The County Fair and Hop Festival will be processed and shown at S. F. during the Exposition and it is necessary for us to offer prizes etc., to encourage the developement and growth of our various products, hence the small membership fee is charged.

We expect to have a boosting committee of five hundred members and are anxious to see your name enrolled with the other 499.

Feeling sure that you are with us in this project to boost for bigger, better and busier Mendocino we beg to thank you in advance.

Sincerely
Ukiah Hop Festival Ass'n.
and
Mendocino County Fair.
E. L. Waldteufel, Director General.

SENATOR SANFORD EN ROUTE HOME TUESDAY

Senator J. B. Sanford and wife will leave the city on their homeward trip next Monday or Tuesday. They will make the trip by auto and will stop for a few days en route at Dillon's beach, where they have recently completed the construction of a bungalow. The senator's hip bone is nicely healed now and he is learing to walk with crutches, "on four legs", as he expresses it. He will soon be as well as ever. He states that the rest has done him good although the accident which necessitated it was extremely unpleasant.

"Mac" Andrews arrived here Wednesday evening and leaves with Mr. Sanford's car this morning for the city. He will act as chauffeur. He is the same old tomalina and has been greeted by his friends in Ukiah with much pleasure.

J. E. Pemberton and wife came up from Berkeley the first of the week for a few days' visit.

RUSCHETTI CASE A COMPLICATED ONE

Child Adopted by Coast Relatives

The struggle for the guardianship of the estate of Gertrude Ruschetti, a minor, waxed acrimonious in the Superior court this week and furnished a tangle that took two days of the court's time to unravel.

Duffey Ruschetti, the father of the child, was killed while in the employ of the McCloud River lumber company in Siskiyou last year. Before he died he made a will appointing his brother Peter Ruschetti, guardian of the estate left the little girl, which amounted to about $3500. Previous to his death the child had been under the guardianship of Joe Brunskole, her maternal grandfather. Some time ago Mr. and Mrs. Pape, of Ukiah, took a fancy to her and filed a petition to adopt her, which was consented to by Brunskole. Before the matter was consummated legally Peter Ruschetti filed a petition to have Brunskole set aside as guardian and himself appointed instead, as the will of the father so specified. To further complicate matters, John Andreani, of Fort Bragg, a third cousin of the minor, and his wife, petitioned to adopt her.

The conflicting petitions of Pape and Andreani for adoption were settled Wednesday, when Mr. Pape arose in court and withdrew his petition, and the little girl was adopted by Mr. and Mrs. Andreani. The matter of the guardianship of the estate was settled in favor of Peter Ruschetti.

The will provides that the child receive not more than $25 a month from the estate provided that such a sum is available, or whatever lesser amount is practicable.

Three separate firms of attorneys were representing the various claimants—W. D. L. Held, for Pape and his wife, Hale McCowen, junior, for Brunskole, and Preston & Preston and M. H. Iversen for Ruschetti and Andreani.

NEW CASES FILED IN SUPERIOR COURT

Cases Begun During Past Week

Through Hale & Kasch Wm. Ornbaun has filed a suit in damages against Dr. Hogshead, of Covelo, asking for $5,803 and costs. The complaint was filed as the result of an accident to the plaintiff recently for the results of which he was treated by the defendant.

John Schweitzer through Robert Duncan has filed a suit against Calvin Stewart and F. H. McKee asking to recover the sum of $1200 alleged to be due the plaintiff from the defendants for wares and merchandise furnished.

A Bacci as administrator of the estate of Natale Rinaldi, deceased, has filed a suit through J. L. McNab against V. Rinaldi to recover title for the heirs of the deceased to a one-half interest in property alleged to have been bought by the deceased and the defendant in partnership. The complaint alleges that the land in controversy was deeded to the defendant as a matter of conveniece merely, when it was bought, and that he held his brother's share in trust.

DR. SUSAN O. HARRIS BRIDE OF ENGINEER

The San Francisco Examiner of Wednesday says:

"Alexander Hamilton, a mining engineer of Glasgow and at present in charge of a mine in Mariposa county, and Dr. Susan Orpha Harris, prominent in professional and club life on both sides of the bay, will be united in marriage today at the home of Mrs. Dorothy Bassford, 2815 Cherry street, Berkeley."

Mrs. Hamilton's many Ukiah friends will unite in extending congratulations and good wishes.

Mrs. Jessie Redwine and family have moved into the Smith residence on North State street recently vacated by Robt. Duncan.

UKIAH REMAINS WET BY A VERY DECISIAE MAJORITY

Heavy Vote Indicates Intense Interest Taken in Prohibition Issue and Women Are Credited With Victory. Results From Over the State

Although interest was intense, Ukiah's municipal election last Monday passed off without any trouble whatsoever. The main struggle was between the wets and the drys and each side worked quietly but feverishly to bring out its full strength. As a consequence the vote was exceedingly heavy, reaching over 88 per cent of the registration. The verdict was a decisive majority in favor of licensing the saloons, the wets piling up 206 votes above the total polled by their opponents.

The general consensus of opinion is that the women did it, this view being taken by both the wets and the drys. The drys were confidently expecting that the women would vote fully 70 per cent against the saloons and even the most optimistic of the wets conceded that the percentage of the women's votes would be against them. However, results show that the women voted exactly the opposite of the way they were expected to do and they have upset the dope sheets and demonstrated that their vote cannot be foretold with any degree of accuracy. An element that entered largely into the fight the last few days of the campaign was the activity of the hop and grape men who threw their influence in favor of the saloons and this influence contributed to a considerable degree toward the big majority that was polled by the victorious side.

With the exception of a few of the more radical partisans on each side the disposition is to let bygones be bygones and as a rule there are no ill feelings.

Both factions made a hard but clean fight, the issue was clear-cut and the people have decided unequivocally that they desire Ukiah to continue in the wet column. It is to be hoped that the town will now return to its usual peaceful state.

The election of the city officers was almost lost sight of in the struggle over the wet and dry issue and but little interest was taken in what few contests were on. The liveliest fight was over the treasurership, Julius Roller winning this from Clark Bailey and Jas. Carothers by a plurality of 76 votes. For clerk Lee Cunningham, who by the way is a candidate for county tax collector, won hands down, his opponent polling but 86 votes to his 873. Every year Lee piles up a bigger majority and his vote this time will be a big feather in his cap if he should have any opponent for the county office. He is a popular and deserving fellow and nothing is too good for him. Messrs. Lambert and Smith had no opposition for the offices of trustees which they sought.

Following is the vote by precincts:

Ukiah No. 1	
Lambert (for trustee)	375
Smith (for trustee)	357
Cunningham (for clerk)	372
Oncken (for clerk)	46
Bailey (for treasurer)	141
Carothers (for treasurer)	141
Roller (for treasurer)	155
For license	260
Against license	197
Total registration	532
Votes polled	484
Ukiah No. 2	
Lambert (for trustee)	285
Smith (for trustee)	278
Cunningham (for Clerk)	315
Oncken (for clerk)	31
Bailey (for treasurer)	111
Carothers (for treasurer)	60
Roller (for treasurer)	192
For license	243
Against license	144
Total registration	467
Votes polled	401
Ukiah No. 3	
Lambert (for trustee)	149
Smith (for trustee)	144
Cunningham (for clerk)	186
Oncken (for clerk)	9
Bailey (for treasurer)	92
Carothers (for treasurer)	37
Roller (for treasurer)	73
For license	129
Against license	85
Total registration	263
Votes polled	229

Totals and Pluralities

	Plurality
Lambert 809	
Smith 779	
Cunningham 873	787
Oncken 86	
Bailey 344	
Carothers 238	
Roller 420	76
For license 632	206
Against license 426	
Total registration 1262	
Total vote polled 1114	

Prohibition was the principal issue in many other towns of California last Monday. Honors are pretty equally divided, however. The majority of towns in the Sacramento valley went dry, while those in San Joaquin went wet. A great deal of interest centered in the contest at Lodi and the latest advices from that place are to the effect that the saloons won by a majority of seven votes. Following are the results of the elections outside of Mendocino county:

TOWNS VOTING DRY

Red Bluff—Dry, 861; wet, 686.
Willows—Dry, 555; wet, 407.
Vacaville—Dry, 264; wet, 240.
Fortuna—Dry, 295; wet, 222.
Biggs—Dry, 154; wet, 88.
Lakeport—Dry by majority of 64.

DISTRICTS VOTING DRY

Second Supervisorial District, Glenn County—Dry, 410; wet, 262.

TOWNS VOTING WET

Tehama—Wet, 125; dry, 31.
Gridley—Wet, 353; dry, 325.
Merced—Wet, 705; dry, 695.
Elsinore—Wet, 212; dry, 187.
Hanford—Wet, 1,952; dry, 798.
Lemoore—Wet, 324; dry, 180.
Lodi—Wet, 655; dry, 648.

REGULATIONS TURNED DOWN

Placerville voted down two ordinances to increase the license and more strictly regulate saloons.

The contest in Orland resulted in a tie, the wets and drys each polling 219 votes.

LEONE GETS TWO YEARS IN PRISON

L. Leone, the Italian who was arrested some time ago for assault with a deadly weapon at Willits, had his trial the later part of last week and was found guilty by the jury. He appeared for sentence Monday and was given 2 years in San Quentin.

JOE GANNETT DEAD

Joe Gannett, an old timer of this place, passed away here last Friday morning. He is supposed to have been a native of France but nothing is known of his antecedents. He was over 80 years of age. The funeral was held under the auspices of the Masons Saturday, interment being in Ukiah cemetery.

DR. CASE VERY ILL AT OAKLAND HOME

Dr. E. G. Case, who practiced dentistry here for twenty years, is reported to be quite ill at his home in Oakland. Dr. Case left here for San Francisco two years ago and opened offices in the Westbank building where he had succeeded in building up a good business. His health gave way recently and he leased his business and removed to Oakland to regain his health. He has placed himself under the care of a specialist and his many friends here hope that he will soon be on the road to recovery.

C. H. Clow and Walter Day were in town from Philo Wednesday.

OPPOSITION TO PROPOSED HIGHWAY ROUTE

Board Rejects Viewers' Report

The board of supervisors met in special session last Saturday to hear the report of the viewers concerning the proposed route for the State highway near Hopland. The survey for the highway recommended by Mr. Somner to the commission parallels the railroad for the greater part of the distance between Largo and Hopland. In order to do this the big bend which the present county road makes in following the foothills between these two points will have to be abandoned and the highway built across bottom land exceedingly valuable to the ranchers of that section. More than this, it will leave the majority of these ranchers a half mile or more from the highway and very naturally they are opposing the proposition. However, they placed a valuation on the land necessary for the right of way of $400 an acre, which is probably far cheaper than it could be had by condemnation proceedings. The total will amount to about $3000. Now, however, Supervisor Harris finds that the funds of his district cannot stand the amount, and hence the viewers' report was rejected. At present it looks as if a new survey will have to be made on the other side of the river, or that the highway will have to await completion until there are sufficient funds, which will be a year from next summer, unless the ranchers should recede from their position. It is understood that the surveyors for the state are running a new route across the river.

The section from Ukiah to the Burke hill will probably be built as soon as bids can be advertised for.

While backing his auto on Perkins street last Tuesday Arch Layton backed into Dr. Cleland's car which was standing at the curb and skidded the latter along for several feet. The net damages of the collision were a burst tire and several broken spokes for the Cleland car.

RIGHTS OF WAY FOR NAVARRO ROAD

Will Be a Great Improvement

Supervisor Reynolds announced while in Ukiah last week that he had secured the necessary rights of way which will enable him to build the new bridge across the Navarro on the island several hundred yards above the site of the last bridge. Chas. Schaeffer, Wm. Cameron and the Navarro company have been very liberal in the matter, Mr. Reynolds stated, and all have donated the necessary land for the rights of way. The road will be built from the new bridge to join the old road at a point above the Schaeffer house on the south side and above the old trestle on the north.

In time Mr. Reynolds will rebuild the grades on both sides of the river cutting them down to not greater than 6 per cent, whereas they now go as high as 18. To do this the road on the north will swing around the Navarro headland along the ocean bluff to Salmon creek, while that on the south will come into the present road at a point between the Cameron house and the ocean. The property owners on the north side, with the exception of the company, are all that are now holding the proposition up and it is expected that as the remainder of those affected have been so liberal, the others may be induced to give the right of way.

THE WEATHER

The weather for the past week, according to the record kept by Dr. McCowen, has been as follows.

Maximum temperature 79 on the 14th; minimum 35 on the 16th; rain .65 of an inch, making 52.72 for the season to date against 27.14 for last season.

O. F. Day came down from Potter valley on business Wednesday.

MIDDLE COAST NEWS NOTES

A Resume of the Week's Happenings at Mendocino

MILL ACCIDENTS ON COAST

Mendocino, April 16—Arthur Matthews, an employee of the local mill, met with an accident last Saturday as a result of which he had to have the index finger of his right hand amputated. It appears that he was engaged in putting a wire on a spool when the engine started up and his hand was caught and badly crushed. Dr. Preston was forced to amputate the finger as it was impossible to save it.

Frank Knacke who is employed in the shingle room at the mill was struck by a flying shingle last Wednesday which lacerated his face quite severely. He had a narrow escape from having his eye put out and his nose broken.

Mrs. Clara Crawford, of Caspar, who broke her wrist as the result of a fall on the floor of the Odd Fellows hall at a dance here recently, sprained her ankle while coming to Mendocino last Thursday evening. The horse which she was driving became frightened at a passing automobile and attempted to run away and Mrs. Crawford jumped from the buggy, spraining her ankle. She will be laid up for some time.

Mrs. W. H. Kelly, the widow of the late W. H. Kelly, the pioneer settler of this coast, celebrated her 89th birthday last Wednesday by entertaining a few friends at her residence here.

The Comptche Hall Association gave a dance at that place last Saturday evening which was attended by a number of Mendocino people. A turkey supper was served and also a breakfast at the conclusion of the affair.

Ed C. Beall and wife were here from Fort Bragg this week on their way to Ukiah where they formerly resided, and where they intend to make their future home. Mr. Beall was in the livery business in Fort Bragg, but says that its back to the farm for him as there is nothing like it.

Carlton H. Viles, of Ukiah, was here last week visiting his niece Mrs. Frank Brown. He has taken a position for the summer at Boyle's Camp.

TRIAL JURY SUMMONED FOR APRIL 28TH.

The following have been summoned to act as trial jurors in the Superior court, to appear therein April 28:

Geo. Dean, W. R. Hildreth, G. W. Lane, Chas. B. Scott, John Burgess, F. M. Seward, C. J. Beckley, R. Figone, John Cunningham, Ukiah; Thos. Hall, F. H. Camp, G. W. Bullock, Arata Andrew, Willits; R. T. Lowrey, R. L. Elkins, Yorkville; J. M. Pressley, Frank Gibson, Potter Valley; Dan Hutton, John Kunzler, Point Arena; G. M. Miller, Boonville; O. W. Getchell, Fish Rock; W. T. Pullen, Littleriver; W. J. March, Albion; C. M. Boyd, Philo; Sam Shafskey, Fort Bragg; M. G. Morrison, R. M. Anderson, E. A. Gravier, Covelo; H. M. Cox, Cloverdale; J. Sierck, Hopland.

TEACHER'S INSTITUTE TO BE AT FORT BRAGG

Superintendent Babcock announced this week that the teachers' institute will be held at Fort Bragg this year and will convene in the Baptist church at that place May 12th. It will last from May 12 to 14 inclusive.

Among the speakers will be Will C. Woods, commissioner of education for the secondary schools, and State Superintendent Edward Hyatt will also be present. Mr. Babcock is working hard to secure a good program.

The county board of education will meet at Mendocino tomorrow.

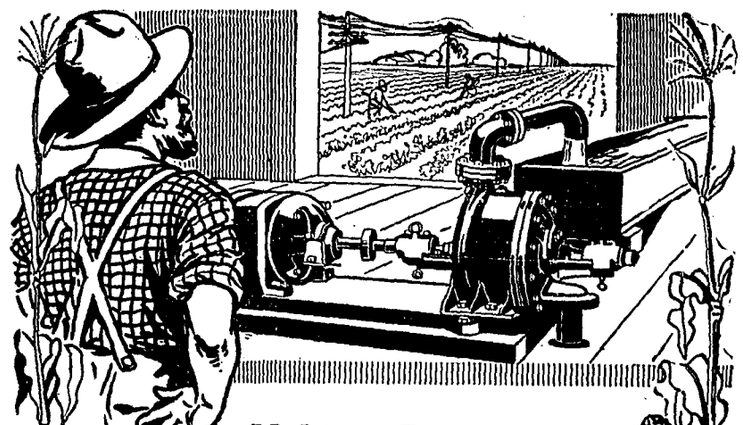
MOTORS--Western Electric
PUMPS--Byron-Jackson
ENGINES--Fairbanks-Morse

THESE ARE STANDARD GOODS AND THE VERY BEST MADE. WE WILL SELL THEM TO ANYBODY CHEAPER THAN YOU CAN BUY SIMILAR GOODS ANY PLACE IN THE STATE, AND AS CHEAP AS YOU CAN BUY MUCH INFERIOR GOODS ELSEWHERE. IT IS A PLEASURE TO FIGURE YOUR REGUIREMENTS. WILL SELL YOU CHEAPER GOODS THAN THE ABOVE IF YOU WANT THEM BUT WE DON'T RECOMMEND THEM.

WE ALSO HANDLE PIPE AND CASING OF ALL KINDS.

UKIAH FARMERS' CLUB
UKIAH, CAL.



Making Two Ears of Corn Grow Where Only One Grew Before

Not getting the *right amount* of rain at the *right time*, is one of the principal causes of crop failure.

This is past history, however, on thousands of profitable farms throughout the country. These farms use Electric Power, and motor driven pumps allow *irrigation* in the *right amount* and at the *right time*.

There are suitable G-E Motors for running the machines in the Barn, in the Dairy, and in the Field. Almost every task and chore on a farm can be done more rapidly, more economically and more safely with Electric Power, than in any other way.

Our Power is at your command at any time, day or night, throughout the year.

California Telephone and Light Co.

THEODORE HALE, Candidate for Superior Judge, Endorsed by Republican, Progressive and Independent Voters —Adv.

ROYAL BAKING POWDER

Is the Housewife's Greatest Help.

WHAT so tempting to the laggard appetite as a light, flaky, fruit short cake or a delicate hot biscuit?

Royal makes the perfect short cake, biscuit and muffin, and improves the flavor and healthfulness of all risen flour-foods.

It renders the biscuit, hot-bread and short cake more digestible and nutritious, at the same time making them more attractive and appetizing.

Royal Baking Powder is indispensable for the preparation all the year round of perfect foods.

INSTRUMENTS ON RECORD

Report of Papers Filed in Recorder's Office

J. P. LOWE FOR CORONER AND ADMINISTRATOR

Well Known Citizen Announces

J. P. Lowe this week makes his announcement in the Dispatch of his candidacy for the office of coroner and public administrator.

Mr. Lowe is well known throughout the entire county having toured it again and again on business trips, and has many friends in all sections. He is considered a strong candidate. He states that no clique is behind his candidacy and that if he is nominated and elected he will administer the duties of the office in a thorough and painstaking manner. He is well qualified for the job and would make a good official if elected.

SOMETHING WRONG

(Printed by Request)

Ever since athletics has been a part of the high school undertakings, it has been successful. Year by year it has been represented at the different big meets, as at Stanford and California, and has carried away good honors. In these meets it not only shows the ability to do the thing of the individual, but it shows "school spirit". Another thing the school in this way earns a reputation which not only applies to the school, but to the town and county as well. Good health is what people are looking for and if good runners and other kinds of athletes are from Ukiah, it will attract attention of people who are thinking of settling in California. One can never make a good runner or anything for that matter if in poor health. The teams the high school turn out show that good health is prevalent here. This is a good advertisement for Ukiah and vicinity. In this way the school is not only reaping the whole benefit thus derived from its athletics. People will come here and settle in this locality on account of the good health and surroundings.

This is not the point which I am trying to bring out—who pays for all the expenses of the track team when they go on these different trips? The town was extra good last year by raising enough money to send two boys to Chicago. This year is seems to be different. The school has never come right out and asked for the pure cash without giving something in return. One play each year is given so that the track team can have a little money to pay some of these expenses. All that they ask is that the people turn out and help by attending these plays. Last year over $100 was cleared. This year it was somewhat different. Teachers and pupils worked hard for six weeks to give the people something for their money. The play was good but where was the crowd that should have been there?—They stayed away and patronized the other company.

Again people may think that the boys have nothing but a good time when they are training but that is a mistake. Many a tiresome hour is spent on the track that no one knows anything about. Hours of discouragement, when one feels like giving up all hope of doing anything. Still no one will say a word of comfort or help in any way. There are always knockers for anything. The long distance men have the worst time. They have at least seven weeks of hard training, and on the day of the field meet they do the best thing that is in them.

Then again the money question. It costs two of the boys of this school this year over $60 each to attend the different meets. You may say that that is their business. It is their business, but if they were let alone and had no other gain than what they could win, there wouldn't be any one go. All the boys ask is that the people attend the track team play once a year and give their $.50 toward the support of the track team. A better track team will be the result, and they will work better if the people of the town back them.

NOTICE TO CREDITORS

Estate of Charles V. Johnson, Deceased.

Notice is hereby given by the undersigned, Olga E. Sivertson, administratrix of said deceased, to the creditors of, and all persons having claims against the said deceased, to exhibit them with the necessary vouchers, within four months after the first publication of this notice, to the said administratrix at the law offices of Preston & Preston, Preston Building, Ukiah, California, the same being the place for the transaction of the business of said estate, in the County of Mendocino, State of California.

Dated April 13th, 1914,

Olga E. Sivertson,
Administratrix of the Estate of Charles V. Johnson, Deceased.
Preston & Preston,
Attorneys for Estate,
Ukiah, California 27-5t.

ANNOUNCEMENT MADE OF BLUME FOR SHERIFF

Coast Man Says He Is Candidate

The Dispatch this week received word from Fort Bragg confirming the report that Robert Blume of that place would be a candidate for sheriff. His card will appear in the proper column this week. Concerning Mr. Blume's candidacy the Ft. Bragg Chronicle says:

Nearly every man on this coast knows Robert Blume, he having been born at Noyo about thirty-two or three years ago, where his father, Robert Blume, Sr., conducted a store for many years.

"Bob" received his education in the schools of the coast and has grown into manhood among the redwoods and sawmills of Mendocino county. He is an expert sawfiler and has followed this line of work for many years, and is well known and well thought of throughout the county.

During the past few days his many friends have been working on him to say "yes", that he would make the run for the office and he has finally told them that he would, whereupon hundreds of his admirers pledged him their support within a few hours after the news had been circulated.

To those who may not have met "Bob" Blume, it can be said that he is a man of strong yet pleasing personality, quick in thought and action, and possessing the fearless determination and judgment that qualifies him to fill such an office with credit.

His friends are very enthusiastic over his candidacy and predict victory for their candidate, although they fully realize that he has a very strong man to beat. There is not a town nor woods camp on the coast where "Bob" is not well known, and where he has not friends who will boost him right from the start. In Willits he is also well acquainted, making the outlook for him very encouraging.

"Bob" Blume is as clean a cut and competent young man as ever became a candidate for a sheriff's office in this or any other county, and is out to win.

TO WHOM IT MAY CONCERN

Some of the readers of the Dispatch-Democrat and the Republican Press may have received the impression from an article in those papers last week, that Robert Blume, the candidate for Sheriff, is a saloon man.

I wish to disabuse the minds of those who got that impression right now. Mr. Blume is not, and never has been a saloon man, nor a drinking man, neither is he a dry man. He has worked at his trade of saw filing for years and the great number of his employers can vouch for his sobriety and they will tell you that his character is above reproach.

During the past month Mr. Owens, proprietor of the Red Front saloon, had business out of the city and he secured Mr. Blume, whom he knew was responsible and trustworthy, to look after his place of business in his absence.

Yours truly,
S. A. Iversen
Fort Bragg, Calif.

NEW TIE CAMP STARTS

Mendocino, April 15—John C. Philbrick, of Comptche, has taken a contract from Dave Brandon of Ft. Bragg for getting out ties from the Long place near Comptche. Mr. Philbrick intends to begin work at once. He will employ about thirty tie-makers and expects to run the camp for at least two years.

The camp will be ideally situated for the purpose of getting out ties as the land is comparatively level, there being no side-hill work to be done. The distance to the railroad to which the ties are to be hauled is short enough to admit of three trips a day being made.

Mr. Philbrick is an industrious and progressive young man and he is to be congratulated on securing this valuable contract.

DON'T FORGET BENEFIT FOR THE PLAYGROUND

Great interest is being taken in the play ground benefit to be given at the Victory on April 24th. Remember the funds will be divided equally between the playground and the Manual Training and Domestic Science Departments of the Grammar school. The work in both these departments is greatly hampered by lack of tools and machines and the Ladies of the Saturday Afternoon Club are working hard to better conditions for the boys and girls who will soon be the men and women of the community; so show your interest by helping to crowd the Victory Theatre on April 24th. Every member on the program is a headliner and the price for a whole evening's entertainment is only 25 & 10 cents.

DOS RIOS TRAIN DERAILED NEAR TATU

Engine Turns Over; Is Wrecked

Willits, April 15—Yesterday afternoon the Dos Rios mixed train was derailed near Tatu by a broken rail. It was a lucky accident, for the locomotive turned over on the land side. Had it been on the other side the whole train would probably gone into Eel river some fifty feet below.

The locomotive is a wreck and two heavily laden lumber cars which were behind it were badly damaged. The rear car was a combination coach and L. L. Burgess, Wells Fargo Express messenger, was thrown the length of the car with a lot of packages on top of him. He was badly bruised and shaken up and will have to lay off a week to recuperate.

TALMAGE SCHOOL TEAM DEFEATS CARROL GIANTS

Talmage, April 14—Talmage opened the 1914 baseball season last Sunday by defeating the crack Carrol Giants by the score of 5 to 3.

The game was a thriller and was anybody's game until the last inning when Broaddus, Talmage's star pitcher struck ou the opposing batter for the last out with the bases full.

Broaddus fanned fourteen men and only allowed one scratch hit.

The game was full of thrilling moments and Irving, the speedy 3rd baseman, and McCracken at 2nd had the crowd almost crazy by their fielding.

McCracken, the Talmage team's star base runner, stole 5 bases and home at a critical moment of the game.

The following men played on each side: Talmage, D. Laviletta, catcher; Broaddus, pitcher; Milne, 1st base; McCracken, 2nd base; V. Laviletta, S. S.; Irving 3rd base; Richardson, L. F.; Laviletta C. F.; Figone, R. F.; Carrol Giants: Wright, pitcher; Morby, catcher; Hal Chase, 1st; Collins 2nd; Cox S.; Elliot, 3rd; Fortune R. F.; Cox L. F.; Goforth C. F.

Two of Ukiah valley's prominent young sporting farmers were captured at the Eel River dam this week and arrested for illegal fishing. The boys paid their fines. Got a match?

HONORS DIVIDED IN WILLITS ELECTION

Heavy Vote Polled There Monday

Willits, April 15—Our town election last Monday was the most exciting and important event which has occurred here for some time.

The big campaign started the latter part of last week when the Non-Partisan Club flooded the mail with circulars. The other side then got busy and nearly filled up the Willits paper with denunciations of the other side—calling them liars, etc. The whole fight was centered on Roth and Goldberg, who were accused of running our municipal affairs.

Monday morning the voting started when the polls opened and lasted up to the last minute. Out of a registered list of 803 there were 645 votes polled. The result showed that the two sides were nearly equally divided, the Club having a little the best of it. For trustee A. J. James received 338 and Will Melville 337 votes. These two were elected and both sides are represented by them. For the third place O. O. Butcher and A. H. Clay tied. A friendly contest will be filed and the town trustees will count the ballots again to see if some mistake was not made in the count.

The two other candidates were F. L. A. Gorlinski and P. N. Taylor. The former received 316 and the latter 248 votes. It is easily seen that Gorlinski was only 9 votes below.

L. C. Cureton, the Club candidate was elected town clerk. He received 219 votes. There were three other candidates in the field, Will Whited being the highest with 194 to his credit.

Will Baechtel was re-elected treasurer without opposition.

CLEAR LAKE COMPANY WANTS AMENDMENT

The Clear Lake Railroad Company has filed an application with the Railroad Commission asking for an order amending the decision of the Commission which authorized the company to issue $500,000 in bonds and $200,000 in stock for the construction of its line from Hopland to Lakeport. The petitioner states that it is impossible to dispose of more than $50,000 additional capital stock and at the same time provide for guaranteeing interest on the bonds for the period of five years. The Commission's original order calls upon the company to present a plan by which all of the major portion of the capital stock as it may be necessary to issue, shall be paid for or subscribed and secured prior to the issue of the bonds authorized. The petitioner is able to present a plan whereby $50,000 of its capital stock authorized may be sold at par and paid for..

J. W. EVERSOLE
FOR QUALITY

Doc Squires has sent back the 100 cases of Peruna he had ordered previous to the election. In common with many others Doc had anticipated a dry majority and was preparing for the new regime.

F. Case, of Willits, was registered in Ukiah the latter part of last week.

Chas. Perkins, coast game warden, was in Ukiah the latter part of last week on business.

Notice for publication. Department of the Interior, U. S. Land Office at San Francisco, Cal., Feb. 13, 1914. Notice is hereby given that John C. Warren whose post-office address is Ukiah, California, did, on the 1st day of May, 1913, file in this office Sworn Statement and Application, No. 06263, to purchase the NE¼ NE¼, Section 10, Township 15 N., Range 13 W., M. D. Meridian, and the timber thereon, under the provisions of the act of June 3, 1878, and acts amendatory, known as the "Timber and Stone Law," at such value as might be fixed by appraisement, and that, pursuant to such application, the land and timber thereon have been appraised, $160, the timber estimated 50 M. douglas fir board feet at 40c per M. 50 M. redwood board feet at 80c per M., and 40 cords tan bark at $2.50 per cord, and the land nothing; that said applicant will offer final proof in support of his application and sworn statement on the 27th day of April, 1914, before the County Clerk, at Ukiah, Calif. Any person is at liberty to protest this purchase before entry, or initiate a contest at any time before patent issues, by filing a corroborated affidavit in this office, alleging facts which would defeat the entry.T. G. Daniells, Register. 19-10.

SUMMER SESSION FOR HUMBOLDT NORMAL

Will Begin on June 22nd Next

Plans are now about completed for conducting a Summer School Session in connection with the Humboldt Normal. This Session will open on June 22, giving an interval of ten days vacation at the conclusion of the regular term, which opened on April 6th. The regular faculty will be augmented by several special instructors, and from the list of subjects given below, it will be seen that a fine chance will be afforded to secure instruction in these important subjects.

On account of the extra teaching force, what is known as "intensified" courses will be given, and the same amount of instruction will be offered during the five weeks course as is usualy given in ten weeks of the regular school term. Especially strong courses in Music, Physical Culture, Manual Training, Domestic Science, etc., will be given, which will especially appeal to teachers who desire to increase their efficiency.

All credits earned in this intensified session will apply towards graduation, there being no time limit as to when the work shall be completed. Thus it will be seen that an excellent chance is offered the teachers of Humboldt and the adjoining counties, who have not had the advantage of a Normal School training, to take the summer school work during their summer vacation, accomplishing as much in the subjects taken in the five weeks, as they would in ten of the regular Normal term. These who have had two months vacation will still have several weeks left in which to rest after the completion of the Summer School Session, and the location of the school, within a few minutes walk of the edge of Humboldt Bay, and within the sound of the surf of the Pacific Ocean, insures a moderate temperature, ideally adapted to study, in striking contrast to the heated interior points.

It will also be of considerable interest to teachers and others contemplating attending this school, to know that no entrance fee is required, the only expense being a charge of two dollars to cover the materials used in the Manual Training and Domestic Science Courses for the five weeks.

The subjects decided upon at the present time, which may be added to before the Summer Session opens, are as follows: Psychology, Pedagogy, Music, Drawing, Physical Culture, Agriculture, Manual Training, Elementary Manual Training, Drawing & Art, Cooking, Sewing, Primary Methods and Literature, and Play Ground Work.

Printed matter giving full information regarding the Summer Session is now being prepared, and will be forwarded to any address, upon request by addressing a letter to President N. B. Van Matre, at Arcata, Calif.

BIG SCHOONER LOADS AT MENDOCINO CITY

Mendocino, April 11—The three-masted schooner, "W. F. Jewett," Captain Cedricson, arrived here from San Francisco last Saturday and took on a load of 21,000 short ties, 10,000 posts and a quantity of lumber with which she sailed yesterday for Honolulu. The steamer Noyo brought her here from the city last Saturday and also towed her out again yesterday.

STATE WANTS FISH AND GAME WARDENS

Examination Set for May 1

The California State Civil Service Commission announces three examinations to be held May 1st for fish and game wardens in the employ of the State Fish and Game Commission. One examination will be for Valley Wardens, or for wardens whose work lies almost wholly in the valley districts of the state, a second will be for Mountain Wardens, whose work takes them into the mountains of the state, while the third will be for Coast and Bay Wardens, who work along the coast and in the bays and other waters of the state. The entrance salaries range from $75 to $100 per month and expenses.

Candidates may take any one or more of the examinations and may specify the locality or localities in which they are willing to work. The three examinations will be held simultaneously at Redding, Sacramento, San Francisco, Fresno and Los Angeles.

Further information and application blanks may be secured from the State Civil Service Commission, State Capitol, Sacramento.

Completed applications must be filed with the Commission by April 27, 1914.

SUPERIOR COURT NOTES

Minutes and Orders as Copied From Clerk's Record

C. A. Lawson vs. R. T. Hutsell—Motion to retax costs denied.

Arthur Dutton vs. Elsie Williams—Continued one week.

Cid Perry vs. John Taylor—Set for trial April 11, at 10 o'clock.

Lazarus vs. Luiz—Set for trial May 19.

McCluskey vs. Glen Blair Redwood Co.—Set for 2 p. m. April 14 to argue demurrer.

Ackley vs. Brown. Continued one week.

Hoxie vs. Hoxie—Demurrer withdrawn and 15 days to answer.

John Taylor as administrator vs. Albion Lumber Co.—Set for May 20, at 10 o'clock.

Neva Hagne vs. Robt. Hagne—Interlocutory decree of divorce.

People vs. I. S. Riggs—Set for April 24.

Peterson vs. Caspar Lumber Co. Reset for June 2, 1914.

Estate of Gertrude Ruschetti, a minor—Witnesses examined and case continued.

FOR SALE—Buff Orphington duck eggs. $1.00 per setting. J. F. Hilliard, Ukiah. 25-4.

REGARDING CITIZENSHIP OF MARRIED WOMEN

Some Very Important Information

Every married woman who takes up land under any of our land laws requiring that the entryman be a citizen of the United States must make a showing as to her citizenship, whether she is a native born citizen or not. If this is neglected the entry will be held up and an affidavit of citizenship required. Many married women who are required to furnish this affidavit of citizenship regard it as a useless bit of red tape, but it is very necessary owing to a peculiarity in our laws.

On March 2nd, 1907, Congress passed a law decreeing that henceforth all married women are of the same citizenship as their husbands, but this law does not apply to persons who were married before March 2nd, 1907. It is plain to see that if an American born girl marries a foreigner she loses her citizenship and can only regain it by inducing her husband to become naturalized. If a foreign born girl comes over to this country and marries an American citizen she straightway becomes a legal citizen of the United States.

This law is not well understood by most people and much confusion results from its working. Most married women believe that they are of the same citizenship as before marriage and if asked would unhesitatingly swear that they are native born citizens, notwithstanding the fact that they may have married an alien since March 2, 1907, and thereby lost their citizenship. The land office has found that it cannot rely upon the simple assertion of a married women because she isliable not to be fully informed on the point, and therefore they require that every married women show beyond the possibility of a doubt that she is a citizen of the United States acording to law. It is not a matter in which the Interior Department has any option. Congress has made the laws which govern citizenship, and has also decreed that the public lands pass only to persons who are legal citizens of the United States. The Interior Department, through the Land Office, must take such steps as are necessary to carry out the provisions of the law, and this showing as to citizenship of married women is one of them.

If every married women would remember this and whenever she is called upon to show her citizenship make a full showing as to the date of her marriage, and if married before March 2nd, 1907, then show her citizenship by birth or naturalization, if married since March 2, 1907, show the citizenship of her husband, she would avoid being obliged to return later and make affidavit to these facts.

A woman who has married an alien since the passage of the act of March 2, 1907, must produce a copy of her husband's naturalization papers, duly certified to by the clerk of the court before which he was naturalized, and must make affidavit asto the fact of having been married to this man since March 2, 1907, in order to prove her citizenship.—Colony Coyote.

We desire to state to subscribers of the Dispatch that our agreement with the California Country Journal ended the first of the year when the Journal passed into new hands. We did not learn of the change until a few days ago. This is the reason that many who sent in applications for subscriptions since the first of the year have never received the paper. 21—8.

MRS. MARDERS WAS DAUGHTER OF PIONEERS

From Famous Frontier Family

Concerning Mrs. Robert Marders, the Clear Lake Press says:

Mrs. Marders was a daughter of Lindsey Carson, who was a California and Lake county pioneer and brother of Kit Carson, the noted scout and Indian fighter of the early days of the West. Kit Carson was a member of the General Fremont expedition to California. Lindsey Carson came to the State in 1849, and married a Miss Gordon, who with her family arrived here in '46. The couple located at Healdsburg, then went back to Texas, and in 1865 again came to California, settling in Lake county on the present Levy ranch, which Mr. Carson then bought of John Bateman. There the family of children was raised. Mr. and Mrs. Carson died after leaving Lake Co.

O. R. Hughes was among the prominent Potter residents in town the past week.

C. E. Leek was in town from Hopland last Tuesday accompanied by his wife and daughter.

J. A. WALDTEUFEL DEFENDS POSITION

Says He Has Offered to Resign

Ukiah, Cal., April 8th, 1914.

Editor Dispatch Democrat
City.
Dear Sir:

Considerable comment and adverse criticism has recently been caused by the forming of two Chambers of Commerce in this City. I, having been the moving spirit in the promotion of one of these organizations and at present its acting Secretary, beg leave of your readers to put my position plainly before them.

In the first place, that there has been discrimination against me no one doubts and I do not propose to give up any advantage that I may hold and place that advantage in the hands of those who have discriminated against me. Again the real estate men of Ukiah have formed an alleged "Realty Board." I was not invited to join this organization, though the records will bear me out when I say that my office has done more advertising and secured more results for this vicinity than all the concerns combined that are in this alleged "Realty Board." Without hesitation I can state that this combination was formed in an useless endeavor to crowd me in my business. This part of the question I care nothing about but I cannot give up any advantage that I hold to those who have combined against me. In this relation I wish to submit herewith a copy of a letter sent by me and which I believe shows exactly how I stand in the matter. This letter was mailed on March 16th, and thus far has been entirely ignored.

Very Respectfully
J. A. Waldteufel.

Ukiah, Cal., March 16, 1914.

Mr. R. L. Hutchison
City.
Dear Sir:

At a joint meeting of Boards of Directors of the two Chambers of Commerce and after great deal of discussion as to the best ways and means of getting both ends together in order to overcome all friction and forming a Chamber for the benefit of the community in which we live that could go ahead with the plans and business laid out for it, it was, after the discussion referred to, the concensus of opinion that the best way and in fact the only way , to satisfy both sides and put the matter where it ought to be, that you and your Board resign, and I and my Board also resign, all of us, you and I not excepted to be inelligible for re-election for at least one year, the joint meeting then to resolve itself into a new Chamber of Commerce, elect a new Directorate whom as I say cannot contain any of the old members President or otherwise, take over the Charter we have, appoint its Secretary and go on about its business. Without any personal feeling in the matter I am willing to do this. Are you willing to let the past take care of itself and step out with me for all time? A prompt reply will oblige

Yours truly
J. A. Waldteufel.

Adv.

COAST FARMERS TO BUILD CANNERY

Cooperative Plan Is Adopted

Fort Bragg, Cal., April 11th, — A very enthusiastic and successful meeting was held in the lodge room of the Redmen's Hall on Tuesday, March 31st. There were present some thirty-eight farmers, representing practically every section of the agricultural districts surrounding Fort Bragg.

The meeting was held to discuss the plans of organization of a co-operative cannery to be built in this city, and from the interest that was shown the project will most assuredly be a success.

At the meeting the organization was formed under the name of "The Fort Bragg Growers' Association," and the following directors were elected to represent the interest of the farmers: Mr. Bates was chosen to represent the Inglenook section, Mr. George Taylor and Mr. August Johnson, representing the Cleone section, Mr. John Hyman, representing the Pudding Creek district, Mr. August Kinnenen, representing the Sherwood Road district, and Mr. T. Neurberger, representing the Noyo section.

The plan of organization is based entirely on lines of similar co-operative organizations throughout the United States. The essential features are that there is to be no capital stock, the farmers being represented by a membership certificate, which carries upon its face the number of acres which he is permitted to have served by the cannery. These certificates cost the farmer Twenty Dollars for each acre of fruits or vegetables that he desires to have served, and which gives him a life interest in the Association.

It is proposed to build a cannery having a capacity of five hundred acres of fruits and vegetables, the plant to be modern in every respect, and to cost when fully completed, approximately Twenty Thousand Dollars. For the present year the expenditure on this plant will not exceed Ten Thousand Dollars, but on the plan of finance there will be sufficient money to bring the money to its full capacity next year.

The farmers have shown their desire for such a plant by having subscribed Two Hundred Fifty acres, representing Forty-four Hundred Dollars. When the full Five Hundred acres have ben subscribed, the farmers will have a representation of Ten Thousand Dollars in the plant; the balance of Ten Thousand Dollars they propose to raise by a bond issue, these bonds to run for a period of ten years and beat seven per cent. In our opinion they should be readily taken up by the citizens of Fort Bragg and vicinity.

Construction will be started on or about the 15th of this month, and the cannery will be located on Pine Street, just north of the depot.

DAVE LAWSON IN CHARGE AT GUALALA

There are several indications of returning activity at Gualala. It is reported that Mr. Davenport Lawson of Irmulco is already there in charge as woods boss. The railroad which is a broad gauge road will be repaired up to the large warehouse at the valley forks crossing. The timbers for the new mill will be brought down from Hickman's mill at Annapolis, a distance of six miles, and taken on the cars down to Gualala.—Beacon.

The Navarro river ferry is now being operated night and day by the county, no charge being made for ferrying passengers or vehicles across the river. The ferryman in charge is prepared to answer calls at any hour of the day and night.

Every woman knows how annoying it is when she has sewing to do to have to drop her work continually to keep a coal or wood range going all day long, through the mud and slush to the woodshed several times a day. A gas range will stop this. tf.

UKIAH, CALIFORNIA, FRIDAY, APRIL 17, 1914

The election of Durker, a Republican in the 7th district of New Jersey as congressman was made the occasion of black headlines in the Hearst papers and was heralded as the repudiation of the Wilson politics by the people of the whole United States. No one was fooled by the Hearst attempt to bamboozle the public. In the first place the district is the center of the woolen and spinning industries and the election of Durker was merely an expression of opposition to the low tariff on wool by the wool trust. Durker has never expressed his position as regards the other policies of the administration and they were not made an issue in his campaign.

* * * *

The State Supreme court handed down a decision last Friday holding that the State Railroad commission has no authority to prevent a second public service corporation from entering a municipality already served, when the city has not voted to surrender the regulation of its public utilities to the commission. The commission sought to prevent the Oro Electric company from entering the city of Stockton, urging that the company already there could furnish more economical service without competition. This is the first decision handed down limiting the powers of the Railroad commission.

* * * *

A million dollar almond crop for California this season. That is the prediction of T. C. Tucker, Manager of the California Almond Growers' Exchange, who has been gathering crop data since his return from the East two weeks ago. California is the only State in the Union to produce any quantity of almonds. This State grows 98 per cent of the almonds produced in the United States and but twenty-five per cent of those consumed in this country, the others being imported from the Mediterranean region.

* * * *

The San Francisco Examiner recently printed an alleged dispatch wherein it was stated that Secreary of the Interior Franklin K. Lane had decided to relinquish his position on account of friction with President Wilson over the Canal matter and other public questions. It now appears that the story was a lie and has been flatly denied by Mr. Lane. Such are the Hearst methods.

* * * *

The capture of Torreon by General Villa marks the end of that general's first campaign toward the capture of Mexico. The rebels now have all the northern border states and in addition the district under their control extends a considerable distance into the south in a wedge shape. Villa looms head and shoulders above all generals who have preceded him in command of the rebel forces and has exhibited military genius of a high order. He is by far the ablest leader who has appeared on the scene in Mexico in either the Federal or rebel ranks and if he is not killed or disabled will in all probability bring the war to a speedy close. Huerta's dominion is toppling to its fall and it is only a matter of a short time until his regime will be over. The real test of Villa as a patriot will come then and his course will be watched with much interest.

* * * *

That the controversy over home rule for Ireland is of the gravest import as regards the British empire is evidenced by the following from a London correspondent:

"There seems to be an undercurrent of dissatisfaction with the general condition of affairs and it strikes at the very heart of the empire. Alarming as it may seem, progressive politicians have been spreading their seeds of discontent so quietly, yet so effectively, that it would not take much to start such a revolution as France, Portugal and other countries have known. The militant suffragettes, too, have played their part well. Not only is the ministry concerned, but King George himself is said to realize the gravity of the situation and is alarmed."

* * * *

The Hill and Harriman railroads are about to enter on a rate war, the prize being the passenger traffic to and from the1915 exposition next year. The Southern Pacific had expected to have this all for its own, and believing that it had a "lead pipe cinch" on the situation, so to speak, had decided to cut what is known as the "Shasta arbitrary" from $17.50 to $15, a reduction of only $2.50. The Shasta arbitrary is the extra amount demanded by the S. P. for return East via the Shasta route. Now comes Hill with the announcement that his roads will cut out the Shasta arbitrary altogether and give the round trip via the northwest for the same rate the Southern Pacific makes for the direct trip with return via Los Angeles and the Sunset route. The Hill lines will offer the return East via the Western Pacific of Santa Fe or both.

REBECCAS GIVE BIG CARD TOURNAMENT

One of the nicest affairs of the springtime was the card tournament given by Cornelia Rebecca lodge to the members and their friends on the evening of the 14th. The hall wore a festive appearance with its dress of roses and florist's greens and this with the beautiful gowns worn by the ladies present produced a truly pleasing effect.

Sixty-four happy, healthful minded-people sat at the tables and enjoyed a couple of hours of innocent diversion.

First favors, which consisted of potted fern and palms, went to Mesdames Palmer and Chalfant and Miss Carrie Garsey and Messrs. E. B. Gibson, O. Hodges and Chas. Kasch. The consolation favors were awarded to L. L. Grover and Mrs. Wegner.

The success of the entertainment was largely due to Mrs. Robt. McGarvey, who as chairwoman of the committee of arrangements was untiring in her efforts. Others who assisted were Mesdames Sloper, Gibson, Hagans, Meyer, Wilson and Misses LaPorte, Aldrich, and Edwards.

WILL LECTURE ON AGRICULTURAL SUBJECTS

The high school is fortunate in being able to announce a second lecture in the course on agricultural subjects, at the University of California by professor E. B. Babcock, professor of plant improvement. The subject of his talk is "Heredity and Plant Improvement," and will be illustrated with lantern slides. Professor Babcock assures us that the subject will be interesting to everyone, farmers especially. He asked that the patrons of the high school and its students as well as the members of the parent-teacher association be present. Remember the hour is 8 p. m., sharp at the Christian Church, Thursday evening, April 23, and the admission is free.

MARRIAGE LICENSES

The following marriage licenses were issued the past week: Ernest Page and Addie Hicks; Henry Pickle and Florence Carter, of Potter valley; Jas. Somersel, of Ukiah and Nora White, of Laytonville, Indians; D. Brochier and Nicey Beal, of Caspar.

FARMERS' CLUB MEMBERSHIP Fee to be Increased

Owing to the success and growth of the Farmers' Club enterprise it has been decided to increase the membership fee to the pro-rata value of a Certificate. Certificates now represent a pro-rata interest of about $15 for each member. The present membership fee is only $2.00. The increase is to take effect on May 3, 1914. Up to that time all interested parties will be taken in at the old rate of $2.00. Thereafter it will be $15 or more.

Board of Directors.

T. J. Geary has been in town the past week installing several pumping plants which he sold to farmers in this section.

BABCOCK ASKS REELECTION

Mendocino's Able Superintendent Is in the Field

HAS DONE MUCH FOR SCHOOLS

L. W. Babcock, who for the past two terms has held the office of school superintendent of Mendocino county with great credit both to himself and the county, has announced his candidacy for reelection.

It is doubtful if there is anywhere in California a man or woman better fitted to fill the office of superintendent than Mr. Babcock. He has been identified with educational matters in this county since 1882, when he accepted his first school on the coast. In 1885 he was appointed principal of the Ukiah grammar school and held this position until 1893, when he resigned to take charge of the

GAL. 20

Ukiah county high school, which had just been started, being its first principal. The task of placing this institution on a sure foting in these early days was one calling for the highest qualities of the organizer and executive and Mr. Babcock carried out the work in a manner that proved him to be a leader in these qualities. He placed the school in the front ranks and built it up through a period of thirteen years until it was recognized as one of the best preparatory institutions in the state.

In 1906 he resigned his position to run for the office of school superintendent and was elected without opposition. In this office he brought into play those same executive qualities that had made a success of his high school work and during his first term the office was placed on a high plane of efficiencey. He was reelected in 1910 over his opponent by a majority of 506 votes, a high tribute from the people of the county to his administration of the office.

Mr. Babcock's second term in the office, like his first, has been marked by a high degree of efficiency. He is undoubtedly the best superintendent that the county has ever had, and is recognized as one of the best in the state. He has taken an active interest not alone in the educational work of his county, but in that of the state as well, always laboring to fit himself still better to carry out his chosen work. His duties as superintendent are his very life and his sole and only ambition is the placing of the schools of this county on a still higher plane. He loves the work for its own sake and gives constantly toward it the very best that is in him. Mendocino county should be proud of him, for he is really a big figure in the educational world and is recognized as an authority all over the state.

Although he has made enemies it has been through his zeal for better schools and even those who will be against him in the coming primaries cannot but admit that his administration as superintendent has been the most successful the county has ever known.

ARMADILLO CAPTURED AT MENDOCINO

The armadillo, which we referred to last week as giving Mrs. Simon Boos so much trouble by digging up her garden, was captured in a box trap last Saturday evening and ever since has been viewed by large crowds of curious sight-seers.

That it pays to advertise was plainly shown by the result of our appeal to our readers last week, in behalf of Mrs. Boos, for help in catching the beast. That very night, a good-sized crowd of friends and neighbors called at the Boos home at midnight, armed with all sorts of weapons and implements, ready to get old Mr. Armadillo if they had to dig a hole big enough to put the high-school building in. Their friendly aid was not appreciated by Mr. Boos, however, who, sad to say, turned the hose on them and routed the gang.

The armadillo is about two feet long and weighs about twenty odd pounds. It is a curious looking animal to those who are not familiar with the sight of such beasts. It is said that its flesh is a great delicacy and we have heard it reported that Tom Beggs is to have a few choice cuts on sale this morning for the first comers.—Beacon.

Odd Fellows Attention!

Degree team will practise third degree Tuesday evening, April 21. Degree will be conferred on three candidates April 28. Lodge called at 7:30. Degree work every Tuesday night. Visiting Odd Fellows invited.

CULTUS CLUB MEETS WITH MRS. GIBSON

Members Enjoy Pleasant Evening

The beautiful home of Mrs. Nellie Gibson was the scene of a delightful club meeting on the evening of April 7th.

More than the usual number of members were present to enjoy the excellent program and other pleasures of the evening. The club was entertained in Mrs. Gibson's spacious and well-appointed music room whose attractiveness was enhanced by a tasteful arrangement of flowers.

The program opened with "Responses—Puns."

Roll call usually elicites a quota of fun and this was no exception. Dr. Malpas especially distinguished herself on this occasion. "Modern Views on Criminology" was the subject of a most excellent paper by Mrs. Ethel Held. The writer outlined the history of crime and its punishment through the ages proving that the greatest severity of punishment had not at any time diminished the amount of crime. In nearly every case criminals have been hardened by severity but have responded to humane treatment.

Many of the late reforms, as suspended sentence, the parole system, establishment of work-houses, more human treatment of prisoners, etc., were advocated.

Those who listened to Mrs. Held's discussion of the subject were impressed that Criminology is one of the great problems of society that it behooves every citizen to give thoughtful study.

Mrs. Nellie Gibson next entertained the club by a presentation of "Ghosts" by Ibsen. An able criticism supplemented by a selected reading set forth the view that while the characters are sharply and clearly drawn, and it is full of vivid impressions, and well written, that the play is rather a cold portrayal of sad social conditions intended to arouse thought along such lines, rather than the presentation of a theme calculated to appeal to public favor.

At the conclusions of the program the guests were invited to the dining room where they were greeted with the work of adepts both artistic and culinary. Under brilliantly lighted chandeliers, the table decorated with a center piece of ferns and carnations and set with the first course of a dainty collation awaited them. Oyster cocktails, creamed chicken, wafers, coffee, cakes, and bonbons, all delicious, furnished a repast the enjoyment of which words are not needed to explain.

Time sped all too rapidly and late were the "good nights" that marked the close of another delightful Cultus meeting.

DR. T. J. PETERSON
